1. *Sweden, 2009 (Basic course)*

2. *France, Nov 2012 (Basic course)*

3. *Sweden, Jun 2014 (Advanced course)*

4. *UK, Sep 2014 (C2 course)*

5. *Germany, Nov 2014 (Capstone exercise)*

*One single
batch
of trainees*

6. *France, Jun 2015 (Basic course)*

New trainees

⇒ *« Ideal » training cycle.*

⇒ *Value of sending observers to other countries' training events.*

COURSE ATTENDANCE

- *Every continent represented.*
- *(Almost) all P5 states represented.*
- *14 qualified experts + 5 FRA MoD experts.*
- *UNDSS.*
- *Consultants (including « mothers »).*

Make trainees aware that anything they do has potential political resonance.

More interaction with Host Nation.

More interview training.

More field days.

Focus on C2.

Empower the trainees.

Expert teams performed outstandingly.

Win-win-win activity.

French UNSGM beginners' course has come of age, only some fine-tuning needed.

Outcome of UNODA work on training very much expected.
