Group of Governmental Experts on Emerging Technologies in the Area of Lethal Autonomous Weapon Systems
Geneva, 7-11 March and 25-29 July 2022
Item 2 of the provisional agenda for 2022 sessions
Adoption of the agenda

Provisional agenda for 2022 sessions

Submitted by the Chairperson

1. Opening of the meeting.
2. Adoption of the agenda (first session only).
3. Confirmation of the rules of procedure (first session only).
4. Organization of the work of the Group of Governmental Experts.
5. Consideration of proposals and elaboration, by consensus, of possible measures, including taking into account the example of existing protocols within the Convention, and other options related to the normative and operational framework on emerging technologies in the area of lethal autonomous weapon systems, building upon the recommendations and conclusions of the Group of Governmental Experts related to emerging technologies in the area of lethal autonomous weapon systems, and bringing in expertise on legal, military, and technological aspects.
6. Other matters.
7. Adoption of the report (last session only).
