DATE AND VENUE

1. The second session of the 2022 Group of Governmental Experts on emerging technologies in the area of Lethal Autonomous Weapons Systems (GGE on LAWS) is scheduled to take place on 25-29 July 2022 in Conference Room XIX at the Palais des Nations (map), Geneva, Switzerland.

2. The session is scheduled to be held fully in person, daily from 10AM to 1PM and from 3 to 6PM.

3. The 2022 GGE on LAWS will be chaired by H.E. Mr. Flavio Soares Damico, Special Representative of Brazil to the Conference on Disarmament.

5. The meeting will be held in person, but UN Web TV coverage will be provided for the entire duration of the session. Web TV allows for live streaming in all six official languages of the UN but cannot be used to take the floor to deliver statements. The UN Web TV link is available on the 2022 GGE LAWS page on UNODA Meetings Place.

REGISTRATION

6. All participants who will be physically present at the Palais des Nations for the meeting, including those who already have the UN grounds pass, are required to register on Indico by 18 July 2022.

- User guides on Indico registration can be found here. For technical questions, such as the non-receipt of confirmation of the account creation or non-receipt of the QR code, please contact directly support.accreditation@un.org.

- Participants who already have an Indico account can register directly for the meeting after logging in.
- Participants who do not yet have an Indico account, need to first create a new account. An automated message confirming the account creation will be sent to the registrant by the system.

- Once the account is created, the participant needs to register for the GGE on LAWS 25-29 July 2022 session in a second step.

- When registering, please pay particular attention to the representation type (Government, Intergovernmental organizations, Non-governmental organization, United Nations, etc.). For example, if you represent a Permanent Mission to the UN in Geneva, please select “Government.” Only United Nations staff members should select “United Nations.” The list of participants will be produced automatically by Indico based on the information entered onto the system by the registrants, so please make sure to provide accurate information about the entity you represent and your title.

- Once the registration is received, it will be reviewed by UNODA Geneva Branch. When a registration is approved, an automated response is emailed to the registrant, including an e-ticket / QR code.

7. Those who will follow the proceedings away from the Palais on UN Web TV should not register.

NOTES VERBALES

8. Prior to registration, States should send, through their Permanent Missions, a note verbale to ccw@un.org, listing the full names and titles of the members of the delegation and clearly indicating the head of the delegation.

9. Sending by postal mail the original copy of the note verbal is strongly discouraged. An electronic copy sent to ccw@un.org is sufficient.

10. Once the UNODA Geneva Branch receives a note verbale from a Permanent Mission containing a list of its delegation members, the Secretariat will consider that State to be participating in and bearing the costs of the meeting in accordance with the United Nations scale of assessment. Non-High Contracting Parties to the CCW will be billed retroactively for the meetings in which they have participated.

11. International organizations may participate in the meetings as observer agencies. An official letter should be addressed to the UNODA Geneva Branch informing of their participation and listing the full names and titles of the members of the delegation.

12. NGOs and academic institutions may designate representatives to attend public sessions of the meetings. An official letter with the official letterhead of the organization should be addressed to the UNODA Geneva Branch requesting participation and listing the full names and titles of the representatives who will attend. A mission statement or summary of work of the organization is also to be provided. In addition, NGOs and academic institutions that have not previously attended a CCW meeting should indicate previous interactions between the organization and the United Nations in relation to disarmament and nonproliferation issues.
13. A note verbale or an official letter is required to register on Indico.

TRAVEL AND VISAS

23. The UNODA Geneva Branch cannot offer financial or logistical support to assist with travel to, accommodation during, or other costs related to attending the meetings. It is the responsibility of States or NGO representatives to make arrangements for visas, travel and related costs in compliance with host country measures for entry into Switzerland.
