Proposals by Egypt on the Draft report of Main Committee 2
(NPT/CONF.2020/MC.II/CRP.1)

Para 39
The Conference re-affirms that the importance of physical protection of nuclear material and protection of nuclear facilities from acts such as theft and sabotage complement the non-proliferation and safeguards objectives of the Treaty. The Conference and acknowledges existing and emerging nuclear security threats. Its States parties commit to addressing such threats.

Para 49
The Conference re-affirms the aim of export controls to ensure that nuclear trade for peaceful purposes does not contribute to the proliferation of nuclear weapons, an unsafeguarded nuclear fuel cycle activity or acts of nuclear terrorism. The Conference further reaffirms that effective export controls are central to enabling cooperation in the peaceful uses of nuclear energy.
